

FSM for elmeg ICT systems (ICT, T484, hybrid 300/600)

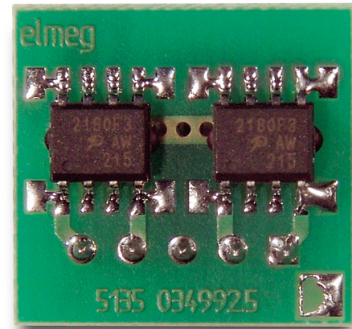

elmeg Module FSM

- Over-voltage protection for accesses

elmeg Module FSM

FSM for elmeg ICT systems (ICT, T484, hybrid 300/600)

The fine protection modules serve to protect the accesses of the PBX against over-voltage. The over-voltage occurring on the lines will be grounded in the process.

Variants

Module FSM (1086774)

Usable on elmeg T484, elmeg hybrid, elmeg C46e / C46xe / C48m / C48.net / C46xe-rack / C46xe-rack-plus / C88m / C88m Up0 / ICT-Series
